Description

The AmeriCorps Instructional Support Team is a single issue area program developing specialization in the education-school success national issue area. The focus of this program is rural pre-school to 12th grade students and complements the State's goals and highlights the national AmeriCorps priority of youth and children. The mission of the AIST is as follows to provide each student, through well defined instructional programs, diversified extracurricular activities, the opportunity to achieve maximum academic growth and to further enhance students' opportunities in leading successful and productive lives. The activities of the members' service will be based in all Butler County School Schools (pre-k/Bright Beginnings through 12th grade classes) as well as assisting with community organizations and events. The AIST members will provide tutoring, homework assistance and early intervention based upon the student's individual needs. Effective tutoring skills and prohibited activities is part of the required Instructional Support Certification pre-service training and subsequent trainings. The classroom teacher will select the students for the program based, in part, on their school attendance, academic performance, and attitude toward school demonstrated during the first 9-week grading period. The members' pre-service training program will be completed during their first week in October prior to beginning service at their assigned sites. The attention each student receives from the AmeriCorps member will form a lasting relationship and will result in students wanting to attend school regularly with a more positive attitude toward school. The members' direct service activities will support the needs being addressed by the program.

Member Duties

A typical day for the AmeriCorps members will begin at 7:00 am. The member will rotate between 2-8 classrooms daily on a set schedule, assisting teachers and students from 1-2 hours. Each member will be allowed to assist between 12-15 students. Members serving in the Bright Beginnings pre-school will also have a set schedule, assisting students and teachers in the classroom. Once the school day is complete at 3:30 pm. Members may also assist with after-school tutoring, community events, faculty meetings, school programs/events/ activities for extra hour opportunities. The AmeriCorps staff will provide each service site with the necessary training and technical assistance to ensure the success of this program. AIST members will be selected by the AmeriCorps program director and the school principals.

1. Citizens of the US include persons born in Puerto Rico, Guam, the US Virgin Islands, and the Northern Mariana Islands. Nationals of the US include persons born in American Samoa, including Swains Island.
2. Generally, you are a Lawful Permanent Resident Alien of the US if you are a US permanent resident with a Permanent Resident Card, INS Form I-551;
3. An Alien Registration Receipt Card, INS Form I-551, (iii) a passport indicating that the INS has approved it as temporary evidence of lawful admission for permanent residence; or (iv) a Departure Record (INS Form I-94) indicating that the INS has approved it as temporary evidence of lawful admission for permanent residence. NOTE: A student visa does not confer eligibility to enroll in an AmeriCorps program.
4. You are an asylee if you have a Form I-94 with asylum granted stamp; form I-766 with Category "A5", "A05", or "A-5"; or an Order of the Immigration Judge granting asylum.
